Depart the hotel to the rainforest for your guided walking tour of the Falls.

“Victoria Falls is billed as one of the world’s greatest waterfalls,” a friend of ours once wrote, “but, as a matter of fact, it’s one of the world’s greatest anythings.” Mosi-oa-Tunya, “The Smoke That Roars,” isn’t the highest or the widest but it’s inarguably the world’s grandest and most booming waterfall, a large lake’s worth of water flinging itself 360 feet straight down every minute of every day, right before our delighted eyes. As David Livingstone, the first outsider to encounter the Falls wrote, “scenes so lovely must have been gazed upon by angels in their flight.”

Lunch is served at the Lookout Café Restaurant.

Optional 12 min Helicopter flight over the Victoria Falls available.

Depart for an authentic steam train experience with dinner served on-board. We head out to the iconic Victoria Falls bridge, with dinner served along the way. Savour the beautiful scenery against the setting sun, and a day’s-end view of the magnificent falls.
